**WILSON PARENTS ATTEND SUPERINTENDENT COFFEE MEETING**

West Allegheny School District Superintendent Dr. John S. DiSanti hosted the third in a series of coffees or informal get-togethers on January 29, 2010, for Wilson Elementary School parents to share the district's accomplishments and challenges as well as the district's Strategic Vision for Excellence. Similar meetings were held at McKee in October and Donaldson in November. The series will include two more meetings, one for parents of middle school students in February, and parents of high school students in March.
