**WEST ALLEGHENY STUDENTS REQUIRED  
TO MAKE UP CANCELLED DAY**

In accordance with state regulations, West Allegheny School District students and staff members will be required to make up the regular class day lost due to the January 8 school cancellation. The district calendar for the 2009-2010 school year, approved by the board last spring, included three designated snow make-up days: Monday, February 15, Thursday, April 1, and Monday, April 5.

In the absence of any cancelled days, the district's schools would have been closed on February 15 for Presidents' Day. However, school will now be in session on that day.

Any future loss of regular class days will require making up those days on the two designated snow make-up days in April.
